FUN AND ADVENTURE

Verdana Homes ASYANA is Ayala Land's newest residential offering in Negros designed to bring home countless possibilities for fun and adventure.

Envisioned as a community for active families, the village amenities place value on quality family time through open space planning, numerous parks, long trails and other recreational conveniences that encourage vibrant living among friends and loved ones.

ASIAN LIVING

Adopting a new yet familiar philosophy of welcoming the contiguous tropical space, Verdana Homes ASYANA showcases the best of Asian designs through Modern Asian architecture. This will allow houses to blend each color, line, texture and form with the naturally beautiful environment and climate.

This design philosophy embraces Verdana Homes ASYANA's charms — bamboos along the river and mountain ranges on the horizon amid relaxing bird songs and constantly flowing water.

RESORT VILLAGE

Verdana Homes ASYANA offers excitement as a resort-like community with a Balinese design-inspired clubhouse, set on a linear park along the river. A swimming pool, multi-purpose covered court, social hall and play area will give various leisure options for the whole family.

Each of the four pocket parks in Verdana Homes ASYANA is conceptually themed, inspired by four natural elements: Wood, Wind, Water, and Earth, exemplifying creative use of materials to provide a sustainable setting for community enjoyment.
